

PANDA PROGRAMMER

Thursdays
4:00 - 6:00

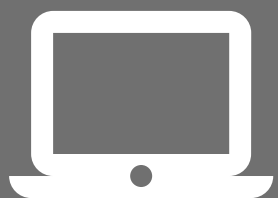

Instead of just PLAYING video games,

your kids can DESIGN and PROGRAM them!

LEARN CODING WITH PANDA PROGRAMMER

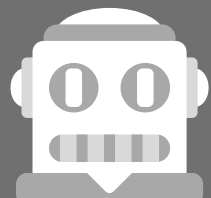

- Convenient after school classes right at Westover Elementary School
- For students in grades K to 5
- Visit PandaProgrammer.com to sign up for an upcoming session!
- Next sessions begins on 9/23/21. **Contact us to join a current session!**
- No computer experience is necessary, and computers are provided for each student
- Only \$219 per session! Each session consists of 6 weeks of classes
- Weekly courses offered all year long. We are Covid-conscious: Wear your mask!
- Most students re-enroll to continue their learning
- Most importantly, KIDS LOVE IT!

PROGRAMMING
IS FUN!

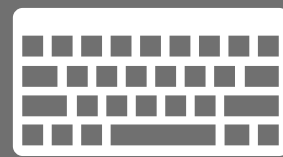

Scratch

Created by MIT, Scratch is a program that allows students to create their own interactive stories, games, and animations.

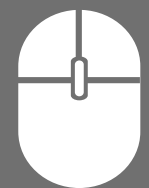

Robotics

Students can learn how to build and program an mBot robot. This is a favorite among our students!

Python

From web development to data science, machine learning, and more, Python's real-world applications are limitless.

JavaScript

JavaScript is the language that powers your favorite websites and online applications. Students learn HTML and CSS as well!
